David Munson, Attorney Advisor  
Policy & Licensing Division  
Public Safety & Homeland Security Bureau  
Federal Communications Commission

Dear Mr. Munson:

This is in response to correspondence regarding WRCATV's June 2012 petition to request a temporary waiver of the Emergency Alert System (EAS) requirement that WRCATV be capable of processing alerts formatted in the Common Alerting Protocol (CAP).

Listed below are the systems covered by this petition and their status:

Faith Cable System (CUID No. SD0104, PSID No. 009759) - Shut down 11/30/15

McLaughlin Cable System (CUID No. SD0162, PSID No. 003848) - Shut down 10/1/14

Timber Lake Cable System (CUID No. SD0091, PSID No. 008951) - Shut down 10/1/14

Selfridge Cable System (CUID No. ND0228, PSID No. 015304) - Shut down 10/1/14

If you have any questions, I can be reached at 605-244-5213.

Sincerely,

Colle Nash, General Manager
